3-Act Comedy of Objects, Puppets and Paper

Admit it! It has occurred to you to turn this darn wrapping paper into something wild. You did try, on a moonlit night, to probably don't dare to admit it, you are an unknown glory of the biggest Broadway stages! So don't hesitate, come to this zany opera (that isn't really one)!

Act 1 (8 min) – **Flam&co**, paper is on fire when dance's passion flares up !

Act 2 (12 min) – **Swing Grenouille**, the fantastically true life of the musicians peopling old music players !

Act 3 (13 min) – **Hollywood Canard**, how you captivate the crowd when you're just a duck...!

As the protagonists of this (one-of-a-kind) opera are not afraid of anything, you too can enjoy each act individually. Share the dream with the guests of your birthday party, your happy hour...
